## A MESSAGE FROM THE SUPERVISOR

Dear Resident,

The Islip Town Board and I are pleased to present the winter-spring edition of *Recreation News*. This publication describes all the programs you and your family can enjoy in the coming months.

Winter is the perfect time to take advantage of Islip Town's varied cultural programs. Your Recreation Department offers trips to the latest Broadway shows and popular tourist destinations in the Tri-State Area. Our fees are affordable, and – best of all – we do the driving. The Islip Art Museum presents changing exhibitions of works by leading contemporary artists in our Brookwood Hall galleries, plus art classes for children and adults. Theater, ballet and concerts are also among your town's cultural offerings.

As a sports enthusiast, I am especially proud of Islip Town's numerous athletic programs. When cold and rain put a damper on outdoor activities, adults can participate in our indoor basketball program at Town Hall West. Children can improve their skills in our winter basketball clinic, or participate in our popular swimming program. If the holidays leave you feeling sluggish and out of shape, you can join one of the many exercise classes at a town recreation center in your neighborhood.

For those who seek outdoor activities, I recommend a visit to the South Shore Nature Center. Open all year round, this rustic facility in East Islip provides miles of

boardwalk trails through the wetlands and habitats that form our unique environment. In the snow, our Nature Center is truly a "winter wonderland."

Your Islip Town Board considers the needs of working parents a priority. Because child care is the number one concern of many adults, Islip provides a variety of pre-school programs for toddlers and after-school activities for older children. This year, we are offering more school break camps than ever before to accommodate work schedules. These popular full-day sessions are available at most recreation centers.

Although winter is just beginning, it isn't too early to think about summer. *Recreation News* includes a special section describing all of our summer camp programs and our early registration procedures. Islip offers dozens of different camps that are designed to match the interests of every child.

Your Town Board and I are happy to offer residents the best possible recreation services. As you read through this edition of *Recreation News*, I am sure you will agree that every season is a good reason to live in Islip Town.

Sincerely,

Phil Nolan

Islip Town Supervisor Phil Nolan

## YOU MUST REGISTER IN PERSON FOR ALL CENTER PROGRAMS AT THE RECREATION CENTER OF YOUR CHOICE.

### KINDERGARTEN READINESS AND TINY TOT PROGRAMS

Your 3, 4 or 5 year old can enjoy a diversified program designed to provide stimulating group experiences. We emphasize recreational, physical, creative and social development. Classes are offered September through June. In our Kindergarten Readiness Program, we also begin to emphasize learning skills that build a child's image of self. We begin adding language skills and introducing concepts. Activities are planned to develop gross motor coordination and fine motor skills. Classes are 2-1/2 hours long and class size is limited. A current Recreation Card and proof of child's age is required.

**Please contact the recreation center of your choice for any additional information and the exact schedule.** All parents/guardians will be required to attend a "Parent-Instructor" orientation meeting prior to the first day of class. Town policies and procedures will be discussed, followed by a question and answer period.

**The spring 2009 session may still have openings. Call your local center.**

### Tiny Tots:

Must be 3 years old by December 31, 2009 and completely toilet trained.  
Fee: \$700 a year for two days a week.

A party fee of \$15 is paid in September and January for Pre-K/Tiny Tots. Fees are not pro-rated because of holidays, weather closings, absences or "short months." In addition, classes may be suspended approximately one day a month for additional staff training or a class field trip.

You may register your child for the Fall 2009 program as of January 21, 2009 for any remaining openings. Classes will start September 14/15, 2009. Registration remains ongoing until classes are full. ## ABOUT THE MUSEUM

Did you know that Islip Town has its own art museum? Winter 2009 is the perfect time to visit this exciting facility and see a world-class exhibition or take advantage of one of the Museum's many programs and activities.

The Islip Art Museum is the leading exhibition space for contemporary art on Long Island. *The New York Times* calls the Islip Art Museum "the best facility of its kind outside Manhattan."

Each year, the Museum mounts six to seven exhibitions designed to interpret ideas and concerns reflected in the current art world. Exhibitions feature new, emerging and under-exhibited artists of national stature.

The Museum also presents exhibitions of works from the Museum's Permanent Collection.

The Museum has an exciting gift shop on its premises and offers a year-round schedule of workshops, trips, lectures and fine art classes for children and adults.

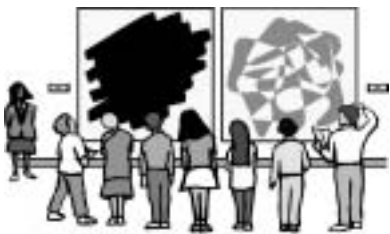

The Islip Art Museum is located in the south wing of the Brookwood Hall Mansion at 50 Irish Lane, East Islip, NY.

The Carriage House at Brookwood Hall, which is open in the spring, summer and fall, highlights the latest in the avant garde art world.

All Museum facilities are open Wednesday through Saturday from 10 a.m. to 4 p.m. and Sunday from 12 noon to 4 p.m. Admission to all facilities is free.

Get ready to rumble. *West Side Story* returns to Broadway in 2009. The classic New York musical about the Sharks, the Jets and the ill-fated love affair involving a young man and woman caught between the gangs opens in this long awaited revival. *West Side Story*, is loosely based on Shakespeare's *Romeo and Juliet*, chronicling the love affair between Tony and Maria, lovers caught in a violent world not of their making. The show, which has music by Leonard Bernstein, features lyrics by Stephen Sondheim and a book by Arthur Laurents. "This show will be radically different from any other production of *West Side Story* ever done," Laurents said in a statement. "The musical theater and cultural conventions of 1957 made it next to impossible for the characters to have authenticity. Every member of both gangs was always a potential killer even then. Now they actually will be."

## DANCE PERFORMANCE

### SNOW WHITE – THE BALLET

On Sunday, March 15, 2009, the Town of Islip and Ballet Long Island will present *Snow White*. This enchanting ballet will take place at 1 p.m. at The Theatre at Town Hall West, 401 Main Street, Islip.

*The story goes....* Once upon a time in the depth of winter, a queen gave birth to a daughter who was as white as snow. Because of this, she was called Snow White. But the good queen died, and after awhile, the king married again. His new wife was beautiful, but she was proud and arrogant, too. She could not bear to be surpassed in beauty by anyone. She had a wonderful magic mirror and when she stood in front of it, she would ask: "Mirror, mirror on the wall, who is the fairest of them all?" The mirror would reply, "My Lady Queen, you are the fairest one of all."

Snow White grew lovelier each year, and was as beautiful as a bright clear day. Trouble began on the day the Queen's mirror replied, "My Lady Queen, of beauty rare, Snow White is a thousand times more fair." Snow White is a great way to introduce classical ballet and classical music to children of all ages.

Tickets are \$3 each for general admission and go on sale in the Town of Islip Cultural Affairs Office at Brookwood Hall, 50 Irish Lane, East Islip, beginning January 12, 2009. Call the Cultural Affairs Office at 224-5430 for additional information.

## TEAM TENNIS PROGRAM

*brought to you by the*  
**LONG ISLAND FOUNDATION FOR  
EDUCATION & SPORTS**

We are excited to bring the game of team tennis to Islip. Not only is tennis a lifetime sport, it is a lesson in life. The team tennis format helps kids learn and play the game. To make it easier for them, we changed a few things – the court sizes, the racquet sizes, the balls, the scoring system and even the net height. This tennis format is tailor-made for children. Any child between ages five and 14 can start playing tennis almost immediately. More experienced players will be placed in more advanced groups each week. Plus, just like other popular sports, this format stresses the importance of play and team competition. Children will now have the opportunity to play with their friends while developing their skills.

Call the Sport Office at 224-5403 for more information. *Who knows? A little fun could lead to a passion for the game!*
